U.S. DISTRICT COURT
DISTRICT OF MASS.

MOTION FOR THE APPOINTMENT OF COUNSEL (II)

Now comes the Plaintiff, Shekeira Williams, in the above-civil action moves this Honorable Court for the appointment of counsel. In support of the Plaintiff's second request for the appointment of counsel, she states:

1. She is a layperson who rights were violated by the Department of Correction, namely the Defendants at Souza Baranowski Correctional Center.

2. She is incapable of litigating this civil matter effectively and would be best represented by an experienced counsel.

3. The person who had put together this lawsuit for her and her husband is a prisoner by the name of Tony Gaskins. He has attached an affidavit in support of this motion/petition. Mr. Williams, too, would be incapable of prosecuting this civil matter, whereas he is law illiterate and inca- to move forward as a pro se plaintiff/litigant.

4. The claims alleged by the plaintiffs are not frivolous and counsel should be appointed in this matter in the interest of fairness and justice.

Respectfully Submitted,
